**Spiritual Techniques to Help You Conquer Fear**

“Many people want to know how to get rid of fear. Fear isn’t something you can be talked out of. The secret of getting rid of fear is to open the heart center.

“In a heart full of love, where is there room for fear?

“Love dispels fear.” – Harold Klemp, *Spiritual Wisdom on Conquering Fear*, page 43

**Dreams: Our Portable Treasure**

“The beauty of dreams is that they go with you wherever, no matter what. They are a portable treasure. You need only recall them to recognize them as a divine gift to gain insight into your true spiritual nature.” – Harold Klemp, *The Living Word*, page 66

**Sing HU to Open your Heart**

“HU is an ancient name for God. It is also a love song to God. All that we do with the word HU is to sing it with reverence. It represents the love of God for Soul, and we are Soul. HU represents the enormous love that the Creator has for its creation.” – Harold Klemp, *Spiritual Experiences Guidebook*, page 7

**Karma: God’s Love in Action**

“How do we treat God’s creatures? How do we treat other people? How do we treat ourselves? How do we act? How do we think?

“The law of life known as the Law of Karma is the great teacher. As you sow, so shall ye reap. It’s not a vindictive law; it’s a law designed to open the heart to love and understanding.” – Harold Klemp, *The Awakened Heart*, page 89

**Mastering Your Spiritual Destiny**

**Past Lives, Present Opportunities**

“Sometimes there’s a strong bond between people and their pets, or a bond with certain other people. We wonder, *Why such a strong bond?* Often the answer lies in a past life.

“If we had the ability through a dream experience, Soul Travel, or the intuitive powers of Soul to understand this connection between that other Soul and ourselves, it would clear up so many things. It would let us treat other people with more love and kindness, because we have an insight into our relationship with them.” – Harold Klemp, *The Secret of Love*, Mahanta Transcripts, Book 14, page 199

**The Blessings of Gratitude**

“People are usually too busy counting the things they don’t have. They notice how much more money their neighbor has, how much further ahead in spiritual unfoldment someone else is, and so on.

“But if we stop to count our blessings, to realize how much we do have and be grateful for it, then the heart is kept open to love and all the gifts that love brings, including the possibility of healing.” – Harold Klemp, *Spiritual Wisdom on Health and Healing*, page 13

**Spiritual Exercises for Inner Fitness**

“The spiritual exercises work similarly to physical exercises. If you want your body to be strong and healthy, you’ve got to swim or run or do something to keep fit. For the Soul body, you do the Spiritual Exercises of ECK, a form of inner communication also called contemplation.” – Harold Klemp, *Spiritual Wisdom on Prayer, Meditation, and Contemplation*, page 31
